

The screenshot shows the Salesforce Lightning Setup interface for the 'technical site' object. The left sidebar contains a navigation menu with options like Details, Fields & Relationships, Page Layouts, Lightning Record Pages, Buttons, Links, and Actions, Compact Layouts, Field Sets, Object Limits, Record Types, Related Lookup Filters, Restriction Rules, Scoping Rules, Triggers, and Flow Triggers. The main content area is titled 'Object Manager' and shows the 'Details' tab for the 'technical site' object. The 'Error Message' section is active, displaying a formula expression 'ISBLANK() Owner:User.EmployeeNumber )' and an error message 'employee number should not be blank'. The error location is set to 'Field' and the field is 'Owner'. A function category dropdown is open on the right, showing options like ABS, ACOS, ADDMONTHS, AND, ASCII, and ASIN. The bottom of the screen shows a Windows taskbar with various application icons and a system clock indicating 12:10 on 10-04-2023.
